

The LA Kings Booster Club will be collecting toiletries and school supplies for Echoes of Hope. This organization, founded by Luc and Stacia Robitaille; supports foster, low-income, and at-risk youth preparing to attend college. They are looking for our assistance, so that the young adults have everything they need to thrive!

If you are unable to attend convention this year, but would still wish to participate, you may shop through their Amazon wish list. Visit [echoesofhope.org](http://echoesofhope.org). Items purchased through Amazon will be shipped directly to the Echoes of Hope offices. You may also mail donations to:

Echoes of Hope  
300 N. Continental Blvd.  
Suite 622  
El Segundo, CA. 90245

Thank you for your support!
